

## **Elastomull®**

Elastic Gauze Bandage

- superior elasticity
- soft, rich texture
- high absorbency
- sterile and non-sterile

# Elastomull®

## Elastic Gauze Bandage

Elastomull® offers your patient a precise fit that will last even in areas where there is constant movement, such as the elbow or knee. It offers superior performance and stretchability in controlling bleeding or edema. It is made of viscose and polyester that is virtually lint free, reducing risk of particle contamination.

### ▶ Features & Benefits:

- ▶ **soft, rich texture to ensure patient comfort**
- ▶ **high moisture absorbency**
- ▶ **superior performance and elasticity for a precise fit**
- ▶ **virtually lint free**

### ▶ Main Indications:

- ▶ **skin-friendly fixation of wound dressings**
- ▶ **ideal for areas where there is constant movement (joints)**
- ▶ **aid in the control of bleeding and edema**
